- MyPhotoClub.com.au for hosting our entry and for assistance with the software and help from Colin with the overall process.
- The Selectors, for their judgement, time, dedication and responsiveness.
- All Entrants for sharing their wonderful photographic works.
- Finally, the members of Edinburgh Photographic Society, many of whom give their time and effort to ensure the smooth running of the Exhibition and with whose help we continue the photographic heritage handed down for over 161 years.

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gairlie, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.

Chairman's introduction

I'm pleased to introduce Edinburgh Photographic Society's 4th International Digital Exhibition catalogue.

We received 3,196 images from 303 photographers in 43 countries. My thanks to everyone who entered for taking the time to do so and for sharing your work - you have created a beautiful exhibition.

Congratulations to everyone who received an acceptance or award and particularly those of you who entered their first international exhibition or who have received their first award or acceptance.

For some entrants, the lack of an acceptance will have come as a disappointment. But, do not be put off entering salons. This is the time to look at the successful images and learn from them. Then try again next year!

Our thanks to our patrons FIAP, PSA, GPU and SPF. We also thank our experienced and valued judges for their adjudication and selection of this year's exhibition.

There were 4 sections which were judged online during November 2025.

Open Colour and Open Monochrome were judged by Ken Lindsay, Sue O'Connell and Leigh Woolford.

The Nature and People sections were judged by Glyn Edmunds, Jenny Hibbert and Campbell Skinner.

Full statistics of the entry and a list of all awarded and accepted images can be found in the tables in this catalogue. All accepted images are shown in the relevant sections of the catalogue.

I hope that you will agree there is variety and quality in the resulting exhibition. There are also many surprises when some excellent images get left behind.

I would also like to thank Eion Johnston, Alexandra McOrist and Doug Berndt for their support and wise counsel throughout the process. Also huge thanks to all of the members from Edinburgh Photographic

Society who stepped up to assist with the judging days and opened the exhibition to the public in a freezing Edinburgh.

A final thanks to Colin Woods at MyPhotoClub who managed the software. Without them all it just wouldn't happen.

The highly regarded Edinburgh International Print Salon 2025 will open in March 2025. This will be its 162nd year. We will also open the 5th EPS International digital salon in August 2026. Details of both can be found on our website at <https://epsoc.org.uk/exhibitions/>

Once again, my thanks to all entrants, patrons, judges and supporters. I hope you enjoy looking through the catalogue and I also look forward to receiving your entries in either (or both!) 2026 salons.

International Exhibition Chairman

Panel of selectors

Glyn Edmunds APSA EPSA EFIAP/g ARPS APAGB DPAGB ABIPP AMPA

With nearly four decades in the Camera Club world and over thirty years giving talks and appraising images, Glyn has been a member of the Chichester Camera Club since 1990 and an International Selector since 1998, joining the PAGB Judges' List in 2000.

He spent a quarter of a century in the darkroom, mainly working in monochrome, and produced Cibachrome prints from slides in the late 1980s and early 1990s. He was also involved with Southampton Club for over 30 years, including chairing the Southampton International Exhibition (2003-2014) and producing its catalogue for 16 years.

Glyn became passionate about street photography, finding cell phones perfect for candid shots. A small run of his street images was published as a softback book.

Sue O'Connell FIPF MPSA EFIAP/d3 DPAGB ABPE

Sue has always been a keen traveller and photography is an essential component of the experience. She enjoys landscapes, documentary, wildlife and abstracts, but above all, loves photographing people.

She regularly enters salons and competitions and has won numerous medals as well as being awarded in "Travel Photographer of the Year" (four times), "World Food Photography Awards" and "USA Landscape Photographer of the Year".

The print is hugely important for her and she is proud to have won a Gold medal in The London Salon and a special Hahnemuhle prize in PAGB Masters of Print. Her work has been included in exhibitions at the Royal Geographical Society, the Museum of the Home, London, and at Photokina Germany. Sue is a Fotospeed Ambassador

Between travels Sue is a frequent speaker and judge on the photographic circuit, often teaming up with husband, Peter Brisley. She is a member of the WPF Associateship panel and was a selector for PAGB Masters of Print in 2024. She also chairs the WCPF Judge Training team.

Sue's Website is at: <https://www.sueoconnell.photography/>

Ken Lindsay MPAGB, EFIAP

Despite owning an SLR camera for almost 50 years, it was joining the local club (Eastwood PS) in the West of Scotland in 1997 that gave Ken's photography a sense of purpose.

Until retirement from neurosurgical practice in 2009, his interest was limited primarily to travel photography during holidays. A switch in the same year to digital format, available time and an interest in post-processing, helped take things to a higher level. This has led to many National and International awards, and the acquisition of the EFIAP in 2016 and the MPAGB in 2019.

Although he always aspires to capture the 'perfect' image, reality is often far from that aim; he is the first to admit that post-processing can raise a mediocre raw image to competition level and that is what he tries to demonstrate in talks to camera clubs.

He has judged in the Edinburgh International Print Exhibition in 2018.

Jenny Hibbert EFIAP/g MPAGB AWPF Hon FWPF & BBE 2*

Jenny has been taking photos ever since she received her first camera at the age of 11 years, and says that she has improved since then.

Her passion is Wildlife but lately taking photos of everything and anything from sport, landscapes and people.

She has been judging and presenting for a very long time. She also enters International Competitions, as she thinks judges need to.

Jenny also loves going to competitions to see other photographers work, she says "it gives you inspiration".

Campbell Skinner DPAGB BPE2

Campbell started in photography as a teenager with what would be called today very basic equipment and using a makeshift darkroom.

He believes we must embrace change and look to express ourselves in the best way possible through our art. He participates in and has judged other exhibitions, gives talks, and judges for camera clubs throughout the year. He has been a member of his local camera club for 47 years.

His love of photography extends to all areas, yet his current preferences seem to be event, concert, and sports photography.

His work has been published in books, music and sports magazines, tour programmes, as well as album covers and inserts.

It would not have been possible to achieve so much in photography without the support of his family.

Leigh Woolford AWPF, EFIAP, DPAGB, BPE4*, Hon. FWPF

He has been passionate about photography since childhood, receiving his first camera at age 11. His keen interest in photographing Formula 1 began in the 1980s, and he later joined Gwynfa Camera Club to explore other genres.

He has earned several photography distinctions, including AWPF, EFIAP, DPAGB, and BPE4, and in 2018 received an honorary Fellowship of the Welsh Photographic Federation for his contributions to Welsh club photography.

While he photographs a variety of subjects, landscapes are his favourite. He's traveled extensively, especially to Iceland, which he has fallen in love with—a wild, cold, hot, beautiful, and rugged island.

Kerekes István EFIAP/d3

Artist photographer, photojournalist. In 2018, he was the world's youngest who received for the achievement in the field of art photography, the Excellence FIAP Diamond3 distinction (EFIAP/d/3) bestowed by FIAP.

His most famous work is a portrait entitled Yelena, which has set an absolute unique record result having won over 690 awards in 62 countries on 6 continents. In 2021, in New York he won the iPhone Photographer of the Year Grand Prize title, which is considered the Oscars of mobile phone photography.

For his achievement in the field of art-photography in August 2018 Mr. Janos Ader the President of Hungary donated to him the Hungarian Gold Cross Order of Merit.

Become an EPS member and discover your passion for photography!

With approximately 250 members, our diverse interests span the vast world of photography.

From September to April, we host around 90 events per season, including:

- Inspiring speaker sessions
- Engaging competitions
- Learning opportunities, offered in-person, online, or in a hybrid format.

Explore our vibrant special interest groups:

- **Nature:** monthly meetings, outings, and competitions for all levels of expertise.
- **CD:** weekly sessions with lectures, workshops, competitions, and critique nights to explore different genres.
- **Phoenix:** a monthly informal forum to develop your photography, work on projects, and pursue distinctions.
- **Studio:** regular beginner-friendly sessions in our well-equipped studios to help you master our facilities.
