Terra Australis International Photography Exhibition - 2025

Chairpersons Report

Welcome to the Terra Australis 2025 International Photography Exhibition catalogue.

A huge thank you to our entrants from around the globe who participated this year. We had 2,912 qualifying images and this included an encouraging number of Australian and international entries.

Congratulations to the photographers who received acceptances and awards. There was a high standard of entries, and we have proudly showcased them in this catalogue.

A special note of thanks to our judges, Pia Jessen (Australia), Lu Ming (China), and Ly Hoang (Vietnam) for their tireless work evaluating and awarding the images.

We also acknowledge the guidance of our FIAP Liaison Officer Bronwen Casey who helped us through the exhibition process.

Our small committee has worked behind the scenes to make this competition a success. Thank you especially to Gail McTaggart and David Norris for passing on your experience and stewardship. Thanks also to Chris, Helene and Pierina for your important roles.

Please enjoy looking through the images in the catalogue and I hope they give you the inspiration to go out and photograph lots more very special moments in time.

Judging Panel

Pia Jessen EFIAP/p APSEM Hon FAPS

Pia Jessen is a Danish born, Australian photographer who is passionate about photography, people and adventure travel. In her various roles within the Australian Photographic Community, Pia champions local, National and International exhibitions, believing participating in exhibitions and competitions pushes photographers of all levels to develop, stretch and learn, as well as keeping abreast of current photography trends.

Pia's background in graphic design was shaped by her time at NewsCorp Australia and working as a freelance designer. Her enthusiasm for photography developed as an extension of her professional work, then flourished after she became actively involved with local, national, and international photographic organisations.

Pia currently serves as the president of the Australian Photographic Society and president of the Redlands Camera Club. She regularly showcases her work in exhibitions and serves as a judge for national and international salons.

Currently, He serves as the Executive Deputy Representative of FIAP in China, Executive Deputy Director of FIAP China Office and the Executive Deputy President of Shandong Eastern International Photography Art Association.

In his various leadership roles, Lu Ming actively promotes photographic activities at local, national, and international levels. He particularly committed to fostering photography cultural exchange between countries. He firmly believes that planning and organising these events can inspire photographers at all levels to develop, innovate, and enhance their understanding of different culture.

Lu Ming frequently serves as a judge for numerous local, national, and international salons. and possesses a passion for photography that captures people, cultures, nature and wild life. His extensive travels locally and internationally are mostly combined with arranging photography tours.

Judging Panel cont.

Ly Hoang Long- EFIAP, EVAPA, FISF

Ly is a freelance photographer based in Dalat – Vietnam.

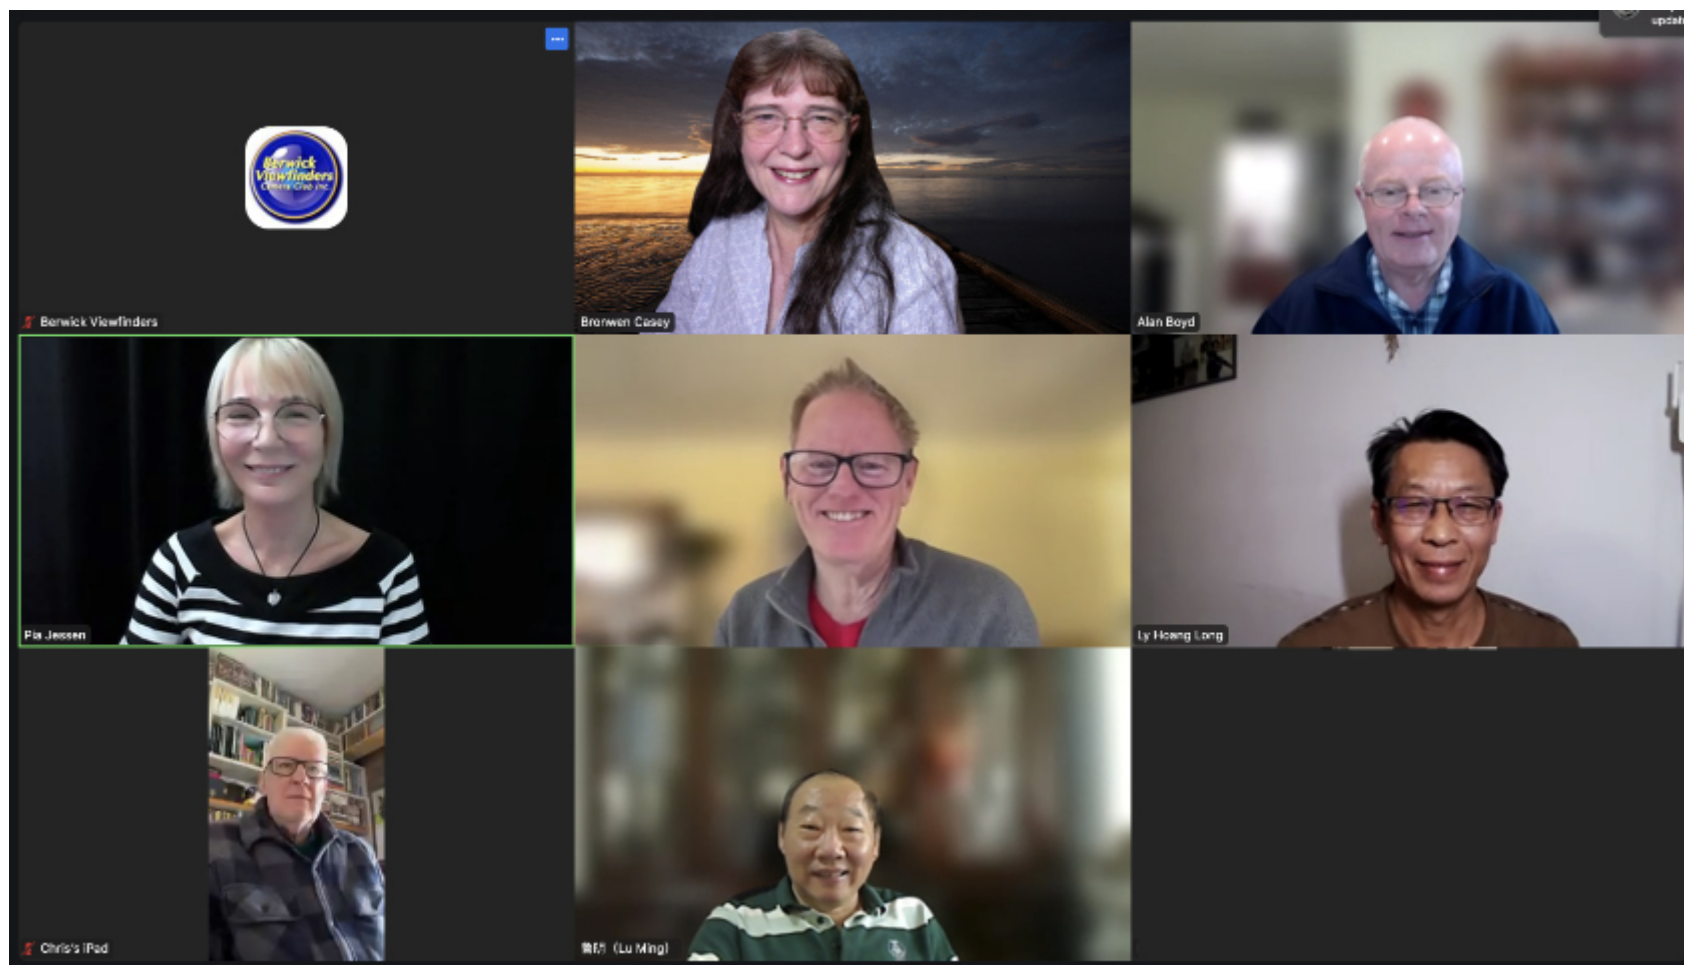

Since his childhood, he was fascinated by the colours and images, then he chose graphic design as his first profession. In 1993, inspired by his friend's pictures, he bought the first SLR camera and started taking picture. Two years later he built up a darkroom and printed his BW prints there for a decade, then there were more and more photo assignments of the architect magazines, transformed him from amateur to professional photographer.

David Laronde – FCAPA, APSA, MPSA, ARPS, and EFIAP/d2 (Emergency Judge)

David is a retired lawyer. David received his formal photographic education from the Professional Photographers of America (PPA), receiving the distinctions Certified Professional Photographer and Master Professional Photographer.
