Chairpersons Report

On behalf of the organising committee, we would like to thank each and everyone one of you for entering our 1st International Exhibition, a competition we believe will grow from strength to strength over the coming years.

We received many images from around the world. All images in each section were beautiful in their own way. Thank you to everyone who entered images and congratulations to those who received awards and acceptances.

To all our entrants, please read the conditions of entry and section definitions carefully before entering your images. Unfortunately, the judges disqualified many images because they did not meet the conditions and/or the section definitions.

Thank you to our wonderful judges, Mario, Elizabeth, Luis, Robert, Paul, and Helen for the time and care you took judging all the images. Without you we would not have had a competition.

To our software provider, Colin from 'My Photo Club'- your competition site has provided a seamless, stressless experience for everyone involved, thank you.

The committee has decided a portion of the profits from this exhibition will be used to support a young Nepalese boy, "Sans" through his secondary education. Over time we hope to increase this support to other Nepalese children.

Please take the time to enjoy the beautiful images within this catalogue. I hope they inspire you to continue your photographic journey, to use your imagination and look outside the box, step out of your comfort zone and experiment.

Gail McTaggart AAPS, AFIAP

Judging Panel

Judging was be conducted online where the judges were required to use colour-calibrated monitors capable of displaying 100% of the image resolution.

Where the image presented was lower the maximum resolution of the images was not enlarged beyond its native resolution. Each judge scores each images using a range of 1 – 9 where the higher score signifies a higher quality image. The total of these scores was used to determine an acceptance percentage. Acceptance range 25% – 30% or as near as possible.

Outback International Photography Exhibition - Outback 2024

Bronwen Casey: (Emergency Judge and FIAP Liaison Officer): *EFIAP/p MAPS, ESFIAP, ESAPS*

Bronwen has been a successful entrant in international photographic exhibitions since entering her first international competition in 2000. Since this time Bronwen has amassed many acceptances all over the world, including multiple international awards. Whilst being successful in most sections, she has had a long standing interest in photography of people, encompassing portraiture, social documentary and stage images. She has also enjoyed working with Creative imagery and, in more recent years, has been enjoying nature and landscape photography, gaining further awards in these genres.

Being a passionate supporter of print exhibitions, nearly all of her first decade of entries were in print salons. She was awarded her Master of the Australian Photographic Society (MAPS) skill honour, via panel assessment with prints in

2008 and her EFIAP in 2009. Then after a long break from entering salons in earnest, she resumed in late 2018 to work through the EFIAP Levels gaining her EFIAP Platinum in 2023.

Bronwen has judged on many occasions for Clubs, Nationals and International Exhibitions. She also spent four years on the organising committee for the VIGEX International Photographic Salon, a print salon, including 3 years as their Vice President. As a member of the Australian Photographic Society (APS), she has served in many roles over many years and is currently Australia's FIAP Liaison Officer, a role to which she was appointed in 2017. In December 2019, the International Federation of Photographic Art (FIAP) appointed Bronwen as FIAP Director of FIAP's official magazine, FIAP News, a role she continues to this day. In 2022, the APS awarded Bronwen their Exceptional Service to APS Honour (ESAPS) and FIAP also awarded Bronwen their Excellence FIAP for Services Rendered (ESFIAP) Distinction.

A strong believer in photography as an art form, Bronwen values both highly creative imagery as well as truthful, pure captures. Bronwen believes that participation in international competitions results in exposure to a world of incredible images, touched by culture, location, world events and the wonders of nature. It has broadened the way she approaches photography and is a path she has encouraged many other photographers to take.

Outback International Photography Exhibition - Outback 2024

Sponsorship

The committee has decided a portion of the funds raised from this exhibition will support a young Nepalese boy in Kathmandu. With an additional donation coming from other committee members of this competition. We hope this support we help him through his secondary school life and over time hope to continue supporting him in perhaps other educational opportunities.

Not only do we want to help this young boy but we hope to increase this support to other Nepalese children in the future.

We believe by providing support to “Sans” he can focus on his education. All of us here at the Outback International wish him the very best with this opportunity. We know he is currently studying hard and enjoying secondary school life through regular updates from his mother and friend.

Kind regards
Outback International Committee
